

The Scientific Committee of the Fund for Scientific Research in Rheumatology (FWRO-FRSR) announces that a:

**Translational Research Award,
for an amount of 10,000 €
will be attributed in 2020**

to a translational project in Rheumatoid Arthritis, Psoriatic Arthritis or axial SpondyloArthritis:

The Translational Award guiding principles are the following:

- Candidates are scientists contributing to the research in rheumatology.
- The project must be a translational project in the field of Rheumatoid Arthritis (RA) and/or Psoriatic Arthritis (PsA) or and/or axial SpondyloArthritis (axial SpA).
- The Award recognizes the achievement of a candidate and must be used for a specific activity in the therapeutic domain of RA or PsA such as:
 - Innovation
 - Epidemiology
 - Improving patient care
 - Building awareness of the disease
- The presented project must be sent by e-mail to the President of the Scientific Committee of the Fund for Scientific Research in Rheumatology, Professor Rik Lories (rik.Lories@uz.kuleuven.be) and to contact@r-euma.be before August, 15th.
- The Award recipient will be designated by the President and the members of the Scientific Committee of the FWRO-FRSR.
- The awardee chosen by the FWRO-FRSR will be celebrated during the FWRO-FRSR Award Ceremony of the Belgian Congress on Rheumatology on the 23rd of September.
- We will also announce the name of the awardee and the sponsor on our website and in any other relevant communication channel.

This initiative is supported by Eli-Lilly Belgium SA/NV.
